

Sponsored Member Program

Now is your chance to show your colleagues what PMTA has to offer – the many benefits and services that our members utilize. You can help bring that company onboard by serving as a Sponsor, enabling the Sponsored company to receive a **free trial membership** until the next renewal period.

Procedures for Sponsored Member Program:

1. The sponsorship must be initiated by a current PMTA member in good standing.
2. PMTA will contact the sponsored member and provide information regarding membership and benefits.
3. Sponsored Members will be limited to carrier companies.
4. The term of the trial membership will last until the next renewal on January 1st.
5. Upon payment of the annual dues by the Sponsored Member, the sponsoring member will receive a credit equivalent to 10% of the sponsored member's annual dues. This rebate may not exceed the annual dues amount of the sponsoring member.
